

**CITY OF MARLBOROUGH**  
**Office of the Comptroller and the Department of Public Works**

**In accordance with the provisions of the following City Council Orders:**

Council Order No. 04-9962C  
Council Order No. 05-100841 A

Council Order No. 05-100841 1A  
Council Order No. 06-1001289A

- Single-family homeowners may pay a Water Entrance Fee of \$400.00 and/or a Sewer Entrance Fee of \$600.00 provided that a valid Occupancy Permit has been issued for their single-family residence prior to December 31, 2003.
- Single-family homeowners have until September 5, 2011 to pay these reduced entrance fees.
- Once the Entrance Fee has been paid, the homeowner or his /her successor and assigns may connect to the City's water and/or sewer system at any future time without having to pay an additional Entrance Fee.
- After September 5, 2011, all single-family homeowners shall pay the Water and/or Sewer Entrance Fees in effect at the time they connect to the respective system.
- Single-family homeowners are reminded that the current Water Entrance Fee is \$2,000.00 and Sewer Entrance Fee is \$3,000.00, so if your home qualifies, it is important to make sure payments are made before September 5, 2011 to take advantage of the reduced fees
